

John Campbell LLB NMAS JP(Qual)

John Campbell, has practised in various forms of Dispute Resolution for over 20 years.

He has either mediated or represented clients across a wide range of matters, from simple disputes, through to large and complicated multi-party disputes involving millions of dollars or delicate political issues. He has assisted individual, corporate, charitable and government clients in proceedings before all Courts in Queensland as well as in various specialist Tribunals and Commissions.

His professional experience also extends to teaching, training and coaching for government departments and several leading universities.
